God of Life, thank You for bringing us together on this special day

Outdoors, we can feel closer to Your good creation.

The trees and grass surround us, the sun and sky watch over us.

The rising sun rejoices; the birds sing their thanks.

Fish jump for joy, and deer run for the pleasure of running.

You have given special gifts to all Your creatures.

With all creation, we want to praise You.

May we sing, and play, and eat together—and be thankful for the world You have made.

PLEASE BE AWARE

The City of St. Thomas Recycling Program no longer includes Churches.

It would be greatly appreciated if we could all help out by taking home any recyclable containers or packaging that we bring into our church and put them in our own residential recycling.

These small things we do help to make a big difference! Thank you for any assistance you can provide.
